THE MESSAGE

The Newsletter of The American Legion
Auxiliary Department of North Dakota

Hello to my Veteran's Best Friends

Well February is half over and soon it will be March. That does mean that spring should be around the corner. Also it means we are busy in Auxiliary land with our programs.

We had a good Mid Winter Conference in Jamestown. For all of you that missed it, try to talk to someone who was in attendance to hear what you missed. We had to rearrange our schedule a few times as we were sharing the room with others, but it worked out in the end.

I will be attending the Awareness Assembly in Washington, DC at the beginning of March. I know that Charlotte will be attending also. I hope to gain some more information for our state at the assembly.

The end of March also brings the start of our spring district meetings. You will see the schedule in this issue of the Message. District presidents are working on making the arrangements. I hope to see you all there. Don't let it scare you away, but the odd districts will be having election for vice presidents. Also we will have memorial services at all of the districts. This is a great way to remember all of our members who have passed on before us and all the great works that they did for our organization.

Speaking of District meetings, our National President, Desiree Stoy will be in attendance at the District meeting on the 22nd of April and possibly the 21st of April. I hope to see more of you come to the meeting and activities than just those districts. There will be invitation forthcoming when more of the plans are set.

I will have my raffle tickets for my wall hangings on sale at the district meetings. Please remember that the profit from this raffle will help but bathrooms in the gazebo at Lisbon after it get moved and for the International Music Camp. There will be plenty of tickets if you wish to take some home to sell also. I hope that all units will sell at least one book of tickets.

There is a change in the reporting this year. We will not have the consolidated reports BUT each chairman will have a few requested questions. That way, the reports will be more geared to our state and we are hoping that this will help to encourage the units to do more reporting. Watch for the reporting packet to come and please fill them out and return them to the appropriate chairman by the deadlines.

Well I better go and get this to our Message editor. Remember always that ALA is Veteran's Best Friend.

Carrie Heinz,
Department President

Tootie Fueller's Reception

Saturday, Feb. 7, 2009 at the mid-winter Legion/Auxiliary Conference in Jamestown, held at the Quality Inn, the Department of the North Dakota Legion Auxiliary hosted a reception to honor the National Northwest Division Vice President, ND's own, Tootie Fueller of Rugby.

Tootie was an elementary teacher and retired after 30 plus years. She keeps busy now by continuing to substitute teach, defensive driving instructor, reading, the arts and sports, etc.. Plus her and her husband, Larry, also a retired teacher, like to travel, which they have found to be quiet fascinating, interesting, relaxing and just fun. Tootie has been very active in the American Legion Auxiliary, which she joined through her Dad, Justin Smedshammer, all 5 of her brothers are veterans, too. Throughout the Auxiliary she has been busy on all the levels and will continue to do so. Tootie and Larry have 2 children, Son-Nolyn married to Jill and their Daughter, Aliah. Daughter-Khloe married to Don Sobolik and their 2 daughters, Tesha and Marnell.

From The Desk of Myrna Ronholm

Winter Conference is well behind us now, so we will be thinking of other things. For instance, spring and SPRING MEETINGS. Schedule is printed in this Message, please try to attend your District Meeting if at all possible. The western part of the State is very lucky to have the National President in the Bismarck area during meeting time. Hope you all make it a point to see her. She is a very delightful lady and will have a good message for us all.

I want to thank all of you ladies for coming to Winter Conference. You all were so gracious and appreciative. There was a record attendance which is good. The pre-registration went very well for us, so hopefully the other Units will be able to do the same if they host Winter Conference.

All Units watch for the new reporting process this spring. The President is to write an explanation and I will assist her and send those out to all Units. District Presidents will also have a new form to determine Superior Citations.

Many Units have not responded about Girls State as of yet. Please let us know in the office if you need application cards or if you do not have any girls attending from your Unit this year.

Membership is doing fine, but please send in as soon as you have some dues. Don't hold them. Please.

We are all thinking of the Dept. Past Presidents who are having some health problems. We pray you will be up and around very soon. Missed you all at the Winter Conference. Just thinking of Spring coming should make everyone wanting to be up and moving again.

I will be out of the office for about a week during the first part of March. Dorothy will be filling in for me. I am going to Florida to see our own Past Department President, Kathy Daniels.

Department Secretary

For God so loved the world that he gave his only begotten son, that whoever believes in him shall not perish but have eternal life. John 3:16

Have you ever thought about the meaning of love? Have you ever thought about God's Love? Webster's Dictionary tells us that love means affections, commitment and compassion. What about God's Love? God's Love is Forgiving. God's Love is Beyond Measure. God's love is Eternal(Never Ending!) God's Love is Not Self-Centered. God's Love is Inexhaustible and God's Love is Sacrificial.

A God who searches for sinners and joyfully forgives them, must have extraordinary love. This love brought Jesus to earth to seek out lost people and save them. No matter what happens to us, no matter where we are, we can never be lost to His Love. Those who are believers have and will always face some kind of hardships. These hardships could cause them to fear that Christ would abandon them, but, it is impossible to be separated from Christ. He died for us, this is proof of His Love for us. In John 3:16, God sets the pattern of true love, this is the basis of all love relationships. When you love someone dearly, you are willing to pay dearly for that persons responsive love. God paid dearly with the life of His Son. We must be willing to give up our comforts and security, so others might join us in receiving God's Love. Don't worry, God's Love will Never End, it flows from a well that will Never run dry.

Let us Bow our Heads and Hearts in Prayer.

Holy, Heavenly Father, Thank You for always being with us in our daily living. Help us to help others and to bring them to a full understanding of Your Never Ending Love. In His Name, Amen.

Beverly Wolff
Chaplain

Poppy

Attention Everyone: National has changed the size of our Poppy Posters again. This was done at the National Convention last year (2008), but we were not informed until after our first mail-outs. The Posters will now be 11 x 14. The reason they tell us is cheaper mailing.

Class VI has been added for the 12th Grade only.

So far Poppy orders for this year are down. Let's start making use of our beautiful Memorial Flower. When you have a guest speaker give them a Corsage made from Poppies, have corsages for all of your officers made with Poppies. Decorate your tables with Poppies, if not in vases, just lay them on the tables. Be creative, there are many ways to use the Poppy.

When filling out your Poppy order form always remember to fill out the three small lines in the upper right-hand corner. We need to know what District you belong too. There are only ten districts in our state and you belong to one of them.

Have a great new year, and Think "Poppies".

Mary Ellen Schlagel
Poppy Chairman

Americanism

February is Americanism Month. Operation Military Kids supports children and youth impacted by deployment. Partnership with the National Guard to support families and children. Contact your schools and see if you can be a part of their next assembly. Present flag ceremonies. These are a few suggestions. Girl Scout Achievement Award needs a 500-word essay describing the Scout's Gold Award project, why she chose the project and how it made an impact on her and her community. Mail this essay to me no later than April 20, as the winner has to be in to the National by May 15. The Americanism Essay (Soldiers, Past and Present...America, Honor Your Veterans) must be sent to me by April 20, as the winner must be sent to the National by May 15. FINAL REPORTS are to be sent to me by April 20, also, Thank you for your work on Americanism and remember "American Legion Auxiliary, Veteran's Best Friend".

Community Service

Our National President Desiree has chosen HOPE, Honoring Our Promise Everyday. I hope that by your participation, you will Inspire others to join in our mission to service to others. The Aux Community Service program is based on that no organization has the right to exist within the community without giving something to the community in return. Community service helps to make our communities a better place in which to live. You can do community service projects by yourself or along with the Legion or other organizations to do worthwhile projects for the benefit of the community. Some examples include blood drives, first aid and CPR training, child safety programs, support for homeless, recycling programs, emergency & disaster preparedness, make a difference day, Adopt-a-Highway, Senior Citizens Center, and Nursing Homes. Year-end reports will be coming soon. Make sure to keep track of every hour, and the amount of money spent, and send those year end reports to me.

Gigi Moore

Community Service Chairman

Children and Youth

Time flies and soon we will have April being the special month for Children and Youth. Plan now for a successful month.

Soon the bicycles will come out of hiding, are the children and youth in your district prepared to bike safely? Just to make sure, work with the local police department to promote bicycle safety.

Can you lend an ear or a shoulder to a teenager? Sometimes a friend is needed. Know of a child having difficulty at school, you could be a tutor. You see sometimes it is not financial help they need.

You could lend a hand at your local school with special projects. Even story hour is a fun way to help. Encourage students to check scholarships that the Legion and Auxiliary have.

Teach flag etiquette to children (and adults) so many do not put their hand across their heart. I see it in large crowds and at school functions whenever our national anthem is played.

April is also report month and I look forward to reading what you have done and will look for interesting reading. Last year so many did such a great job, I now thank you in advance for I am sure the response will be the same or better!
