

Mar 12, 2020

To All 10<sup>th</sup> District Post Commanders and Adjutants;

The Coronavirus has finally struck close to home. The Veterans Home in Lisbon has notified me that the 10<sup>th</sup> District Meeting cannot be held there, as planned. **Therefore, Lester W Peterson Post 191 will host the meeting in the Community Center in Gwinner.** The Community Center is located at 104 N. Main St.

Please take note that the new time for registration to start will be **6:30**, with the joint meeting to begin at **7:30**. As there is ample room, the Auxiliary may meet in the same building.

There will be a social to take place prior to the meeting to begin at **6:00** at this same location.

Please help to spread this information to everyone you know within the 10<sup>th</sup> district.

Everyone also needs to know that the department headquarters staff and myself are watching the news regularly for any new information on this virus within this department. Should the need arise, this meeting will be cancelled, without question. I ask that all members continue to watch the news for any updates regarding the virus. This also means checking you mailboxes and your emails for information concerning the virus and this meeting.

I pray that you all remain healthy throughout this epidemic. Please take the necessary precautions and follow the advice that is readily available by doctors on any tv news network. May The Lord keep you all safe.

For any questions, please call: Post 191 Commander Roger Klemetson

701 680-1861

Post 191 Adjutant Kenny Wiederholt
